### Department of Tourism

#### Notification

No. 3(384)2001-DT/1564

#### PREAMBLE:

Tourism is one of the most important economic activities in the State of Goa. Government has already declared it as industry in order to achieve planned and all round growth as well as for the benefit of people investing in this vital economic activity. The said notification has been issued on 31-3-2000.

enterprises face considerable difficulties in the process of securing required clearances/sanctions, speedily. Government has, therefore, considered it necessary to streamline the systems and procedures which regulate sanctions/clearances/approvals by different Departments and Agencies of the Government for setting up of tourism projects.
